RE: CCJHA Hockey Team Sponsorship – House League Teams

The current house league team sponsorship policy is as follows:

1. The Sponsor fee paid to CCJHA is \$300 per year, which goes exclusively for replacement jerseys and socks.
2. A Sponsor may choose to purchase one (1) complete set of game jerseys and socks as a start with a new Sponsor. This will cost approximately \$800 to \$900.
3. If the purchase option is selected, it will be done under/by the direction of the CCJHA Equipment Manager to ensure a high quality set of jerseys/socks and color coordination is maintained. The Sponsor will have complete freedom in a choice of logo and logo colors.
4. If the purchase option is selected, the CCJHA fee of \$300 will be waived for three years, including the initial purchase year.
